4 Concepts of Fish

Play ~ It's about having fun, enjoying yourself, being spontaneous and creative. Life is too short to spend it frowning, and **Fish!** brings a smile to your face.

Make Their Day ~ It's about doing something special for your customers and co-workers. When you make someone's day, you have given them a special gift they won't soon forget. It feels good to give it.

Be There ~ It's about being totally focused on the moment and on the person or task with which you are engaged. When we are fully present with our customers and with each other, we listen deeply and important opportunities do not escape us.

Choose Your Attitude ~ It's about accepting full responsibility for all of our choices, even our attitude at work. A positive attitude is a decision we make, moment to moment.

A 3-hour interactive, thought provoking program.
